CAREER SUMMARY

Frontend developer with a passion for crafting visually appealing and user-friendly interfaces. Equipped with a strong foundation in front-end development. My commitment to staying updated with the latest industry trends and techniques allows me to expand my skill set continually, providing innovative solutions. A quick learner, I enthusiastically explore new technologies and tools to enhance my development capabilities. Collaboration is fundamental to my approach, thriving in team environments where I contribute, learn, and communicate effectively to ensure project success.

SKILLS

- HTML
- CSS
- JavaScript
- TypeScript
- Angular
- GIT
- Bootstrap
- Postman
- Communication
- Teamwork
